

| TO: | Interested Parties |
|----------|--|
| FROM: | Eric Farm, President |
| DATE: | October 11, 2022 |
| SUBJECT: | Port of Coos Bay Commission Meeting Notice |

The **Board of Commissioners** of the Oregon International Port of Coos Bay will hold its Regular Commission Meeting at **10:00 a.m., Tuesday, October 18, 2022**.

Members of the public are invited to view the meeting live on the Port's YouTube Channel at the following link: <u>www.youtube.com/portcoos</u>.

Members of the public may provide public comment in person, via Zoom, or in writing. If members of the public would like to provide public comment during the meeting via Zoom, please call the administrative office at 541-267-7678 by 8:30 a.m. on Tuesday, October 18, 2022. Written comment will be accepted until 8:30 a.m. on Tuesday, October 18, 2022 by sending an email to portcoos@portofcoosbay.com with the subject line 'Public Comment'.

An Executive Session has also been scheduled on Tuesday, October 18, 2022, immediately after the Commission Meeting, as authorized under ORS 192.660(2), to:

(d) conduct deliberations with person designated by the governing body to carry on labor negotiations;

(e) conduct deliberations with persons designated by the governing body to negotiate real property transactions;

(g) consider preliminary negotiations involving matters of trade or commerce in which the governing body is in competition with governing bodies in other states or nations;

(j) carry on negotiations under ORS Chapter 293 with private persons or businesses regarding proposed acquisition, exchange or liquidation of public investments; and

(n) discuss information about review or approval of programs relating to the security of a number of specified structures, activities and materials relevant to the operation of the state's infrastructure.

DRAFT OREGON INTERNATIONAL PORT OF COOS BAY Coos Bay, Oregon REGULAR COMMISSION MEETING 10:00 a.m., Tuesday, September 20, 2022

Port Commission Chambers, 125 Central Avenue, Suite 230, Coos Bay, Oregon 97420

ATTENDANCE

Commission:

David Kronsteiner, President; Eric Farm, Vice President; Brianna Hanson, Treasurer; Kyle ViksneHill, Commissioner; and Kyle Stevens, Commissioner.

Staff:

John Burns, Chief Executive Officer; Rich Lopez, General Manager, Coos Bay Rail Line; Margaret Barber, Director of External Affairs and Business Development; Steve Bawn, Charleston Marina Manager; Rick Adamek, Director of Asset Management; Krystal Karcher, Human Resources Generalist; Laura Fortin, Administrative Assistant; and Mike Stebbins, Port Legal Counsel.

1. <u>CALL MEETING TO ORDER</u>

President Kronsteiner called the meeting to order at 10:04 a.m.

2. INTRODUCTION OF GUESTS AND PORT STAFF

3. <u>PUBLIC COMMENT</u>

4. <u>CONSENT ITEMS</u>

- A. Approval of June 16, 2022, Budget Hearing & Regular Commission Meeting Minutes
- B. Approval of June 29, 2022, Special Commission Meeting Minutes
- C. Approval of June, July, and August Invoices
- D. Approval of June, July, and August Contracts Awarded

Upon a motion by Commissioner Farm (second by Commissioner Hanson), the Board of Commissioners voted to approve the June 16, 2022, Budget Hearing & Regular Commission Meeting Minutes; June 29, 2022, Special Commission Meeting Minutes; June, July, and August Invoices; and June, July, and August Contracts Awarded. **Motion Passed.**

Commissioner Hanson commented she would like for the Board of Commissioners to review the Charleston Revenue / Expense ratios in the Financial reports. John Burns said he would plan for a presentation at the next meeting.

5. <u>MANAGEMENT REPORTS</u>

All Management Reports were included within the Meeting Packet.

6. <u>ACTION ITEMS</u>

A. 2022Res09: Ratification of Declaration of Emergency– NB Swingspan Bridge Hydraulic Replacement

On August 23, 2022, Port staff was notified of a hydraulic pump issue on the North Bend Swing Span bridge which effected the useability of the bridge.

Upon closer inspection of the hydraulics system by Whit Industries, it was determined new hydraulic motors, solenoids, and lines were needed in order to keep the bridge in operable condition. Also, as part of this inspection, it was determined that some of the work areas on the bridge rest pier system must be replaced in order to safely access the hydraulic system. Without timely repairs, CBRL customers would be without service for an excessive amount of time.

On August 25, 2022, Port staff determined it was in the public's best interest to sole source Whit Industries to affect the repairs to the hydraulic system, and to sole source the work platform repairs to Scott Partney Construction, pursuant to ORS 279B.075, based on the following:

a. Repairs needed to be expedited in an effort to mitigate the time of service interruption.

b. Whit Industries is an expert in the field of hydraulic systems and possesses both the experience and the manpower to affect the repairs in the most efficient manner.

c. Scott Partney Construction has extensive construction knowledge of the North Bend Swing Span and bridge repairs in general and had the ability and work force to repair the work platforms in the timeframe necessary to keep the bridge in operation and limit the rail down time for customers.

Chief Executive Officer John Burns declared an emergency and authorized the Port to enter into contracts with Whit Industries and Scott Partney Construction to affect the repairs to resolve this emergency condition.

Scott Partney completed the repairs to the walk surface at the west pier to allow access to the hydraulics on Thursday, September 8, 2022, for a contracted price of \$26,609. Whit Industries completed replacing and repairing the hydraulics on the bridge, on September 12, 2022, for a contracted price of \$30,000.

Upon a motion by Commissioner Farm (second by Commissioner Stevens), the Board of Commissioners motioned to adopt Resolution 2022Res09 ratifying the Declaration of Emergency for emergency repairs to the North Bend Swing Span Bridge. **Motion Passed.**

B. 2022Res10: ODOT Permanent Easement Agreement – Territorial Road, Veneta

The Oregon Department of Transportation (ODOT) is conducting an ADA curb ramp project in Veneta, Oregon, and is requesting a Permanent Easement on Port owned property along the Coos Bay Rail Line on Territorial Road for the construction of a new ADA compliant curb ramp.

In consideration of \$2,700, the Permanent Easement Agreement will grant ODOT authority to construct, reconstruct, repair, and maintain the public highway and its appurtenances and facilities, and also, to construct and maintain water, gas, electric and communication service lines, fixtures and facilities, and appurtenances therefore, upon, over, under and across the property. Per the Terms of Offer, ODOT will remove/replace sidewalk and grass in like kind as needed as part of the project within the permanent easement area.

The Permanent Easement Agreement, exhibit, map, and Terms of Offer were included in the meeting packet. Port's legal counsel has reviewed and accepted the Permanent Easement Agreement.

Upon a motion by Commissioner Farm (second by Commissioner Hanson), the Board of Commissioners motioned to adopt Resolution 2022Res10 approving an Easement Agreement between the Port and Oregon Department of Transportation of Port property along the Coos Bay Rail Line on Territorial Road in Veneta and granting Chief Executive Officer John Burns authority to execute the Agreement. **Motion Passed.**

C. Bay Area Chamber of Commerce Lease Renewal

The Bay Area Chamber of Commerce is a Tenant of the Port following the Port's acquisition of the Hub Building. The existing lease agreement that was transferred with the sale of the property from the Hub Partnership to the Port expired July 31, 2022. The Bay Area Chamber of Commerce expressed interest in entering into a new one-year lease agreement for leased space in the Hub Building. The Chamber is a Tenant in good standing with the Port.

Upon a motion by Commissioner Hanson (second by Commissioner Stevens), the Board of Commissioners motioned to approve the Oregon International Port of Coos Bay to execute a new one-year lease agreement with the Bay Area Chamber of Commerce. **Motion Passed**.

D. Shoji Planning LLC. Lease Renewal

Shoji Planning, LLC is a Tenant of the Port following the Port's acquisition of the Hub Building. The existing lease agreement that was transferred with the sale of the property from the Hub Partnership to the Port expired July 31, 2022. Shoji Planning, LLC expressed interest in entering into a new one-year lease agreement for leased space in the Hub Building. The Shoji Planning, LLC is a Tenant in good standing with the Port.

Upon a motion by Commissioner Hanson (second by Commissioner Farm), the Board of Commissioners motioned to approve the Oregon International Port of Coos Bay to execute a new one-year lease agreement with Shoji Planning, LLC. **Motion Passed**.

7. <u>OTHER</u>

8. <u>COMMISSION COMMENTS</u>

Commissioner Farm asked if the SDAO Best Practices deadline was October 1, 2022, or 2023. Mr. Burns said he would gather the answer for Commissioner Farm.

Mr. Burns commented on the current fire season and some recent events that effected both the Port property and properties in close proximity of Port properties. On Friday, September 16, 2022, there was a brush fire on the North Spit. Mr. Burns said the fire was determined to not be caused by the Port's locomotives, rolling stock, or any other Port assets.

Mr. Burns recognized Marina Manager Steve Bawn and his staff at the Charleston Marina for their good work responding to a fire Monday night, September 19, 2022. Security cameras and crew witnessed an individual siphoning gas from vehicles parked in the Marina parking lot, who then proceeded to light a cigarette, causing a fire. Three vehicles were totaled in the fire damage and two other vehicles as well as the asphalt parking lot, were damaged. Mr. Burns reported that Insurance has been notified and damages are being assessed.

President Kronsteiner announced the Senate will be meeting Wednesday, September 21, 2022, to approve his replacement on the Commission. President Kronsteiner shared his appreciation and confidence in working with the Commission Board members, Port staff and the Port CEO over the last 18 years.

9. <u>NEXT MEETING DATE</u> – Tuesday, October 18, 2022, 10:00 a.m.

10. <u>RECESSED TO EXECUTIVE SESSION</u>

President Kronsteiner recessed the meeting at 10:28 a.m. and entered into Executive Session to:

(d) conduct deliberations with person designated by the governing body to carry on labor negotiations;

(e) conduct deliberations with persons designated by the governing body to negotiate real property transactions;

(g) consider preliminary negotiations involving matters of trade or commerce in which the governing body is in competition with governing bodies in other states or nations;

(h) consult with counsel concerning the legal rights and duties of a public body with regard to current litigation or litigation likely to be filed;

(i) review and evaluate the job performance of a chief executive officer, other officers, employees and staff, if the person whose performance is being reviewed and evaluated does not request an open hearing; and

(j) carry on negotiations under ORS Chapter 293 with private persons or businesses regarding proposed acquisition, exchange or liquidation of public investments.

Mr. Stebbins commented on the integrity and outstanding business ethics of President Kronsteiner. He thanked President Kronsteiner for his work and dedication to both the community and to the Port of Coos Bay over the years.

11. <u>MEETING RECONVENED</u>

The public meeting was reconvened at 12:25 p.m. President Kronsteiner announced his resignation as President of the Board of Commissioners of the Oregon International Port of Coos Bay.

Upon a motion by Commissioner Hanson (second by Commissioner ViksneHill), the Board of Commissioners voted to appoint Eric Farm as the new President of the Board of Commissioners of the Oregon International Port of Coos Bay. **Motion Passed**.

12. <u>ADJOURN</u>

President Kronsteiner adjourned the meeting at 12:26 p.m.

To: John Burns, Chief Executive Officer

From: Mary Green, Accounting Clerk

Date: October 11, 2022

Subject: Invoices Paid for Commission Approval through September 2022

| Total Disbursements | \$ 2,207,382.80 |
|--|-----------------|
| Electronic disbursements per Umpqua Bank statement | 1,470,597.52 |
| Payroll disbursement per Umpqua Bank statement | 148,047.40 |
| A/P checks issued per NetSuite financial system | 588,737.88 |

| TO: | John Burns, Chief Executive Officer |
|----------|--------------------------------------|
| FROM: | Megan Richardson, Accounting Manager |
| DATE: | October 11, 2022 |
| SUBJECT: | September 2022 Contracts Awarded |

The following are bids that were awarded, and contracts authorized and signed by the Chief Executive Officer during the month of September. All solicitations comply with the requirements of the Port's Local Public Contracting Rules.

The following projects are included in the appropriate fiscal year budget:

| Contract | Description | Cost |
|--------------------------------------|---|--------------|
| Scott Partney Construction | North Bend Swing Span Walkway Repairs | \$26,609.00 |
| Whit Industries | Change Order #1: North Bend Swing Span Hydraulic Repairs | \$9,180.34 |

| Shad Co Railroad Construction LLC | On-Call Track Repair Section #2 - MP687-725 | \$150,000.00 |
| Shad Co Railroad Construction LLC | On-Call Track Repair Section #3 - MP725-770 | \$150,000.00 |
| | Total Contracts Awarded for this period: | \$935,789.34 |

| TO: | John Burns, Chief Executive Officer |
|----------|-------------------------------------|
| FROM: | Community Giving Committee |
| DATE: | October 11, 2022 |
| SUBJECT: | Community Giving Recommendation |

In January 2019, the Board of Commissioners approved Resolution 2019Res02, adopting the Port Policy Manual Section 12.5: Community Giving. Each year, the Port of Coos Bay budgets funds for Community Giving in the form of scholarships, community events, and donations to support the Port's mission of promoting sustainable development that enhances the economy of Southwest Oregon and the State.

The Community Giving Committee meets quarterly to discuss and evaluate requests made to the Port to support various charitable causes and community events. The committee met on October 3, 2022 to discuss community donation requests received.

Three requests are not recommended for funding at this time. Two requestors did not submit the required introduction form, and one request was inconsistent with prior funding of community events.

Community giving donation requests and event sponsorships are reviewed on a quarterly basis and awarded as budget funds allow. The Community Giving Committee makes the following recommendations, to be included in the appropriate fiscal year budget:

| Community Giving Donations | Amount |
|---|---------|
| Coos Watershed Association Birthday Bash Fundraiser (Oct. 22, 2022) | |
| Coos County Sherriff's K-9 Fundraiser (Nov. 12, 2022) (In-Kind donation valued at \$200) | \$200 |
| Oregon Angler's Alliance – Salmon Values Project | \$1,000 |
| Total: | \$1,700 |

| TO: | Port of Coos Bay Board of Commissioners |
|----------|--|
| FROM: | Lanelle Comstock, Chief Administrative Officer |
| DATE: | October 11, 2022 |
| SUBJECT: | 2022 SDIS Best Practices Program – Property / Casualty Insurance Credits |

Each year, the Port of Coos Bay participates in the Special Districts Insurance Services (SDIS) Best Practices Program to receive a credit on the following year's contributions for general liability, auto liability, and property insurance. The purpose of the program is to assist districts with implementing best practices to mitigate risk in areas of high exposure.

The Port is currently anticipated to receive a 6% credit toward the 2022 SDIS insurance premium based on completion of the following requirements:

 \blacksquare Affiliate Organization Membership (2%) – The Port must be a member of an SDAO affiliated organization.

The Port is a member of the Oregon Public Ports Association (OPPA), paid through SDAO.

Board Duties & Responsibilities Policy (2%) – The Port must have adopted a policy regarding board duties and responsibilities.

Port Policy Manual Chapter 2: Board of Commissioners, addresses policies such as Membership on the Board, Powers of the Board, Orientation, and Board Member Responsibilities and Duties.

■ Board Duties & Responsibilities Checklist (2%) – The self-evaluation checklist must be completed.

The self-evaluation checklist begins on page 3 of the Best Practices Survey following this memo.

An additional 2-4% credit (4% is about a \$6,500 credit) can still be obtained with the help of the Board of Commissioners by fulfilling the following requirements (the deadline to complete these requirements is November 4, 2022):

- **2% Training:** All members of the Board must attend one online or in person class regarding Board members duties and responsibilities. Examples of trainings that qualify include:
 - SDAO Board of Directors and Management Staff Regional Training
 - Board Duties and Responsibilities Training
 - o Boardmanship 301 Special Districts Association of Oregon (sdao.com)
 - o Boardroom Dancing Special Districts Association of Oregon (sdao.com)

- 2% Board Member Education: At least two members of the Board must enroll in the SDAO Board Leadership Academy. The SDAO Board Leadership Academy has been designed to ensure that Oregon's special district board members have the tools necessary to provide superior leadership and governance to their communities. The program offers current, in-depth training and education opportunities in several areas including board member basics, statutory obligations, risk management, and human resources. There is no cost to enroll.
 - Interested Board members must complete an enrollment form located on the SDAO website at <u>www.sdao.com/sdao-board-leadership-academy</u>

Please let me know if you have attended a training or enrolled in the Leadership Academy.

Management Reports

| TO: | John Burns, Chief Executive Officer |
|----------|--|
| FROM: | Lanelle Comstock, Chief Administrative Officer |
| DATE: | October 11, 2022 |
| SUBJECT: | Administrative Services Management Report |

Upcoming Scheduled Meetings and Events:

- October Regular Commission Meeting:
- Veterans Day Offices Closed:
- November Regular Commission Meeting:

ADMINISTRATION:

Veneta Railroad Office: Admin Staff continues working with the City of Veneta and utility providers to permit for the placement of an office building along the railroad in Veneta. The specifications for trenching and bringing electricity to the site are currently being drafted by the power utility district, and a quote and plan has been obtained to construct a fence around the site once the pre-existing building is moved from the Terminal One facility. Our goal is to have this project completed by Thanksgiving.

Tuesday, October 18, 10:00 am

Tuesday, November 15, 10:00 am

Friday, November 11

RV Park Online Reservations System: As addressed during the budget planning process, one of the goals for the Administration Department this fiscal year is to implement an online RV Park Reservation System that integrates with the Port's current financial and RV Park reservation system. Admin Staff has been working with Finance and Charleston Staff in determining the functionality of the system, licensing costs, and implementation. An online reservation system will save the amount of time staff spends on the phone reserving sites for customers, and will enhance customer capabilities, including managing their reservation and account. This online reservation system will be implemented in January 2023.

2022 SDIS Best Practices Program - Board Duties and Responsibilities: <u>IT'S NOT TOO</u> <u>LATE!</u> The deadline to complete the Board Member Training or SDAO Academy Enrollment for an additional 2-4% of savings on our 2023 insurance premiums is November 4, 2022. Please see the Best Practices Program Checklist in the Consent Section of this packet for additional information.

HUMAN RESOURCES:

HR Generalist: Krystal Karcher has been very busy not only training Laura Fortin on the essential functions of the Administrative Assistant position, but also taking on her new role as Human Resources Generalist. Krystal is diligently recruiting and interviewing to fulfill vacant positions, conducting new hire onboarding, attending HR trainings, and creating an employee development plan beginning with Maintenance Staff.

Retirement: Port of Coos Bay Maintenance Operator, Richard Taylor, is retiring October 31, 2022, after 14 years of service with the Port of Coos Bay. We are extremely grateful for Richard's service and wish him much enjoyment and relaxation in his retirement.

Filled Positions:

- Charleston Marina Office Assistant: Julie Williams was hired as an Office Assistant in the Charleston Marina office to provide customer service to all Marina and RV Park customers. This position was filled by a temporary position during the busy summer season, but the need for a full-time position became evident. Julie has extensive office management and RV Park experience and provides superb customer service. We are excited to have Julie on our team.
- Maintenance Apprentices: Bruce Daugherty and Calvin Hack Jr. have been hired as Maintenance Apprentices in the Charleston Marina. Bruce was with a Public Works Department for over 13 years and has over 6 years of security experience. Calvin has previous experience as a heavy equipment mechanic and as a CNC operator. Their experience and positive attitudes will be great additions to the Maintenance Staff. Welcome Bruce and Calvin!

Recruitment:

CBRL is seeking to hire the following positions:

- A <u>Track Laborer</u> to perform track maintenance and repairs to ensure safe and efficient movement of trains along the Rail Line. Essential job functions include observing the condition of tracks, track beds and track right-of-way for problems or defects, removing and replacing rails, rail anchors, spikes, ballast, ties and other track parts as needed, and operating heavy machinery and hand tools including chainsaws. Work locations include elevated heights such as bridges over waterways and in dark, close clearance spaces such as tunnels.
- A <u>Locomotive Diesel Mechanic</u> to inspect, repair and maintain the engine and mechanical components of railroad locomotives and hyrail fleet. Essential job functions include diagnosing, repairing, replacing, or rebuilding diesel engines, air brake systems, fuel systems, and other locomotive mechanical components, as well as efficiently operating equipment including measuring instruments, precision machines, hand tools, and material handling equipment, i.e. forklifts, cranes and overhead hoists.

RISK MANAGEMENT:

Open Property Insurance Claims: The Port of Coos Bay is currently working with Special District Insurance Services on the following open property insurance claims:

| Claim | Date of Incident | Claim Amount |
|---|--------------------|--------------|
| F-Dock Gangway Allision by F/V | September 2, 2021 | ~\$27,000 |
| Ice Dock Allision by F/V | October 1, 2021 | ~\$25,500 |
| Post Office Building Damage by Customer Vehicle | August 8, 2022 | ~\$18,000 |
| Marina Parking Lot Fire | September 19, 2022 | TBD |

Regional Risk Management Training: Special District Association of Oregon is hosting a Regional Risk Management Hot Topics Conversation & Networking event at the Charleston Marina RV Park Rec Room on October 12 from 9:00am until 11:00am. Since each area of Oregon has unique geographical risk issues, this interactive session is designed to help SDAO target these risk issues and develop resources specific to our area. Participants are invited to discuss struggles that their Special District is facing, while collaborating with others.

| TO: | John Burns, Chief Executive Officer |

| FROM: | Megan Richardson, Director of Finance |
| DATE: | October 11, 2022 |
| SUBJECT: | Accounting & Finance Management Report |

We hereby present August and August Year-to-Date (2 months) of financial results for the Port.

Operating Revenue:

Total operating revenues were \$439K which was \$61K less than budget. All departments reported revenues that fell short of budget except External Affairs. Administration has budgeted for full tenancy, but they are currently down two lessees. Port Ops has decreased revenue due to the timing of budgeted CPI increases. Rail Ops fell short this month due to lower rail car movements. Charleston Ops had decreased revenue because of lower than projected ice sales and lower activity in the shipyard. They did exceed their projections for the Marina moorage and RV Park revenue. These higher than expected revenues help to offset the overall impact of the shortfall from Charleston's other operations.

Operating Expense:

Operating expenses totaled \$540K, which was \$156K less than budget. All departments underspent their budgets this month. One of the major projects that started in July was derelict vessel destruction in Charleston. It was only partially complete and will be seen in September's financials.

Operating Result:

The Port ended August with a \$101K loss against a planned deficit of \$196K, which is greater than plan by \$95K. All departments, except for Rail Ops, performed better than plan this month. Rail's shortfall is due to lower revenue.

Other Income & Expense:

Total other revenues totaled \$23K, which is less than budget by \$10K. This shortfall is due to the timing of other grant funds. This year the Port has budgeted for two other grants which have been evenly allocated across the year due to the unknown timing of when these funds could be expected. The first grant is the Safety Grant and the status of the grant is still unknown at this time. The second grant is a port planning and marketing grant through IFA for a feasibility study. This project is underway and grant revenues should be received beginning in October. Other expenses totaled \$5K this period, which was underspent by \$136K. This underspending is related to the timing of capital outlays.

Net Result & Year to Date:

August had a net loss of \$83K compared to a budgeted net loss of \$304K resulting in a \$221K positive variance. This variance underscores the importance of achieving a strong topline, in addition to managing operating expenses well.

Other Comments:

| Total Cash | | Restricted | | | | | | | | | | | | |
|---------------|--------------|------------|--------------|--------------|--|--|--|--|--|--|--|--|--|--|
| September | Total | Project | State Dredge | IFA Channel | | | | | | | | | | |
| Cash Balance | Restricted | Crafty | Funds | Mod | | | | | | | | | | |
| 10,171,902.20 | 5,486,213.01 | 445,404.74 | 33,315.38 | 5,007,492.88 | | | | | | | | | | |

The total cash balances in all bank accounts for September month end were \$10,171,902.20 which is an increase of \$327K from August. Restricted funds are detailed in the table above. Interest earnings on unrestricted funds for the period totaled \$3,110.71. No interest was earned in the money market account because the balance has been managed to meet the required minimum for banking fees and cashflow needs. The Local Government Investment Pool (LGIP) interest rate increased to 1.58% from 0.1.25% pa. This is an increase of the pool interest rate by 0.33% since the start of the fiscal year.

The finance department is currently working with auditors to complete year end field work. We have completed one of the two scheduled weeks for final field work. Once field work has completed Finance Staff will continue to respond to auditors and work towards a draft audit document in November.

MEMORANDUM

| TO: | John Burns, Chief Executive Officer |
|----------|--|
| FROM: | Margaret Barber, Director of External Affairs and Business Development |
| DATE: | October 11, 2022 |
| SUBJECT: | Commercial/External Affairs/Marketing Management Report |

Commercial:

Staff continue to work with inquiries interested in establishing operations at Terminal One in Coos Bay. Staff participated in meetings and site tours with prospective customers across business lines looking to either establish a footprint on Port property or expand existing operations. One commercial tour / site visit was provided for prospective customers. Staff also conducted meetings with existing lease and rail customers.

Staff continue to develop pricing structures for both ground leasing and tariff rates as the Port continues to work toward an executed contract with prospective tenants at Terminal One, as well as evaluating anticipated expenses and operational considerations.

Staff are exploring opportunities with Business Oregon for grant funding to conduct strategic planning surrounding the layout of Terminal One.

Port Property:

Monthly Commercial lease revenue for the month of September 2022 was up 34.2% over September 2021. This increase is due in part to the new lease revenues being generated from the Hub building leases, new CPIU increases, as well as an increase in the properties rented out in the Charleston Marina Complex over the last year.

Vacant Port owned properties include the Fishermen's Wharf and the two small office spaces adjacent to the Charleston Post Office, individual offices in the shared space of the Hub Building, as well as 147 S. Broadway in the Hub Building. One of the offices in the shared space of the Hub Building was leased last month on a month-to-month basis as storage space for an existing Port tenant. Staff provided three showings of 147 S. Broadway in the Hub building this past month. Staff also showed available properties in Charleston to two inquiries.

Marketing, Media, and Outreach:

Staff presented at the Bay Area Chamber of Commerce Transportation Committee meeting regarding upcoming projects.

The Port was featured in the following news outlets:

The World: Letter: Do we need a shipping facility?

Lincoln City Homepage: Opportunities on the Coast

Wind Action: Floating wind turbines could soon dot Oregon's south coast

The Bulletin: Tiny Coos Bay positions itself as an answer to global freight bottlenecks

Oregon Public Broadcasting: What a container shipping facility would mean for Coos Bay

Staff are compiling and organizing the results of a survey provided to Charleston Marina customers. The intent of the survey is to solicit feedback regarding the most critical infrastructure in Charleston as the Port budgets for future capital investment in the coming years.

The Port's Instagram account followership increased from 1,793 to 1,801 over the last month and reached 741 accounts. The top post from the month was: "In the interest of public safety, overnight camping and shooting are prohibited on Port owned property." This post received a total of 35 likes and reached a total of 338 accounts.

The Port's LinkedIn page gained 22 new followers, received over 8,000 post impressions, appeared in 250 searches, and had 52 unique visitors. The top post of the past month was "Great article in the Oregonian today about the exciting things happening in Coos Bay." This post received 88 reactions and 2,167 impressions.

Legislative/Advocacy Work:

Staff participated in a meeting with stakeholders from Lane County regarding the PCIP project, as well as an Oregon Public Ports Federal Coordination meeting sponsored by Business Oregon.

Staff are working in coordination with Markee and Associates and the Oregon Public Ports Association in anticipation of the upcoming State of Oregon Legislative session.

Industry Articles/Information Items:

MEMORANDUM

| TO: | John Burns, Chief Executive Officer |
|----------|---|
| FROM: | Mike Dunning, Chief Port Operations Officer |
| DATE: | October 11, 2022 |
| SUBJECT: | Port Operations/Asset Management Report |

Channel Modification Project:

The Port channel team met with USACE Portland District during the last week of September to discuss project scoping and the Port's current work on the economics evaluation and new ship simulations. The ship simulations will help determine what container vessel can safely navigate through the proposed channel modification project. This information will help inform the new economics evaluation.

The Port team is also researching the benefits of conducting a resistivity survey of the proposed channel. This study may help the Port refine the total areas of rock to be dredged and the potential hardness of that rock. This is a fairly new technology for the marine environment and has been used on multiple channel deepening projects on the east coast. The goal of this work is to reduce contractor risk during the bidding process and to assist the National Environmental Protection Act (NEPA) review for anticipated impacts.

Rail Bridge Rehabilitation Project:

Work continues with engineering and design, permitting, contracting and construction for all phases of the project. Updates for each phase are provided below:

<u>Vaughn Viaduct</u>: The Port continues to conduct Value Engineering (VE) with the low bidder for this project, and are working with MARAD and other regulatory agencies to understand potential impacts of changing project scope.

<u>Wildcat Creek Bridges:</u> Partney Construction has completed approximately 35% of the scheduled work for this project.

<u>Steel Swing Bridges:</u> The contractor is ordering materials and conducting field verifications for each phase of the project. Steel for the Cushman bridge has arrived at the fabricators for buildup. The Port purchased a new trailer mounted generator that will be used in the event of prolonged power outages. This purchase is part of the project controller system scope of work.

PIDP Grant (Tie and Resurfacing Project):

Staff is still waiting for the final agreement from MARAD. As part of the pre-agreement authorization, the Port has contracted for geometry car services and engineering support. We expect

the geometry car work to commence on November 14, 2022.

Safety and Security:

Due to continued vandalism of Port signs, staff has started stenciling eco blocks to ensure Port property is properly marked for enforcement. Unfortunately, we are already seeing the stencils being painted over. Despite having to re-stencil the blocks, this method is less costly than custom made signs.

Terminal One:

The Terminal One contractor continues to work on interior office painting and securing empty buildings to deter vagrants and theft.

M E M O R A N D U M

| TO: | John Burns, Chief Executive Officer |
|----------|---|
| FROM: | Stephen Bawn, Charleston Marina Complex Manager |
| DATE: | October 11, 2022 |
| SUBJECT: | Charleston Operations Management Report |

Of the 550 moorage slips, there were 161 annuals (29%), 49 semi-annuals (8.7%), 48 monthlies (10%) and 619 transient nights, for a total occupancy of 51% for the month. All categories remained similar to the month prior.

The RV Park had an average capacity of 89.4% in September. Out of 104 RV Park spaces, we had 270 new check-ins with total sales of \$61,562.83. As the summer season has ended, there is a noticeable drop in occupancy numbers.

The Ice Plant had a volume of 536 tons of ice sold for total sales of \$32,697.20. There has been a significant decrease in the amount of ice appointments, and this is due to a slowdown in fishing.

Maintenance Projects:

<u>Marina Office</u>: The awning for teller windows is still waiting on a second vendor quote. This is budgeted work for FY 22/23. FY 23/24 Phase II will be roof replacement, new gutters and exterior paint.

<u>Shipyard Cleanup</u>: Cleanup is 99% finished in the shipyard. The shipyard is awaiting confirmation from Billeter Marine as to completed status of vessel destruction. The Port has had inquiries from individuals wanting to use the shipyard in order to destroy their own vessels.

<u>State Dredge Equipment:</u> Staff has been in continuous preparation for dredge operations. On October 6, staff began operational dredge training and initial dredging on the eastern dredge prism at Point Adams. Staff will continue dredging through the remainder of October and into November.

<u>Section 107 Feasibility Study:</u> The Portland District continues to develop the feasibility study for this project. We are waiting for the final feasibility letter from the USACE.

<u>Marina Piling:</u> \$50K was budgeted for FY 22/23 to replace piling at the Marina Complex. Staff completed the Request for Quote, and only one vendor had submitted a quote. Another vendor has just requested to quote on the project, and we have sent the RFQ. The Port is still aiming to have this work completed in the Fall of 2022.

Staffing:

The new Marina and RV Administrative Assistant started on September 19. As of October 6, two offers of employment for Maintenance Apprentice 1 positions have been offered and they have been accepted. The anticipated start date for the new team members is the week of October 10. Staff is still searching to fill the temporary Maintenance position.

Miscellaneous:

Through the month of September, the Marina Complex has had some security issues. Staff is working on various ideas to address these issues.

MEMORANDUM

| TO: | John Burns, Chief Executive Officer |
|----------|---------------------------------------|
| FROM: | Rich Lopez, General Manager |
| DATE: | October 11, 2022 |
| SUBJECT: | Railroad Department Management Report |

Operations:

CBRL Carloads: September = 524 Prior Month = 597 Prior Year September = 556 2022/23 Forecasted Monthly Average 650 missed by 126 carloads.

As CBRL continues to move forward into the fiscal year, the recording numbers that were predicted are still low. Customers that have ordered cars have not yet received them but have acquired other customers to attempt to facilitate the need for product. Other customers are feeling the pinch of the market and have reduced car loads due to sales being low. CBRL and its customers stay in communications daily on the outlook for the week and for the month. All are fully invested to achieving the goals set forth in July. CBRL also had a mechanical issue on the North Bend bridge this month causing bridge closure for major repairs to the hydraulic system. These repairs were previously identified and slated to be completed in the current bridge program but failed before the work could be completed. The CBRL would like to thank Whit Industries and SP Construction for completing the necessary work to the bridge in a minimal time frame of bridge repairs. The impact to customers was minimal and with no impact.

CBRL staff in the past months have implemented new programs and brought on new staff members. The MOW team has been productive with the removal of four slow orders along the north end of the line (Cushman to Eugene). The crews have replaced over 80 ties in 1.32 miles of main line track. This equates to approximately 80 minutes of delays for the North Haulers workday. The MOW team has mobilized to the south section of the main line to MP 724 to begin replacing 60 -70 ties at that location. At the beginning of the new program CBRL estimated that all current slow orders that could be repaired by MOW would be complete by year's end. The MOW team is on track to meet that goal.

CBRL has begun to review and analyze the fuel usage, crew overtime and crew utilization. Staff are currently in the process of developing changes to certain programs to reduce these key indicators in the budget. Continuous improvement to the operations of all departments has been a focus for management this last month with a reduction of car movement. One of the items being looked at is a computer-based car moving system to allow the crews in the field to spot and pull cars in real time. This would allow for management to have more accurate data on work performance at customer facilities. The program will also allow for accurate data of customer's car usage and volumes; freeing up some management time to focus on other tasks.

Mechanical (Car and Locomotive):

Mr. Teeters has had a busy month with two 92-day inspections and several online repairs that were critical to operations. He has worked diligently to stay ahead of these repairs. He is currently completing a third 92-day inspection and preparing to begin a fourth 92-day inspection, along with a one year and a three-year inspection on the 1869. The Car department has been busy with car repairs and with the number of cars available on line they also had plenty to repair. The month did find a large number of cars coming on the property with repairs done, this includes the consumables such as cable and corners. This is not the norm when it comes to cars coming on line.

Maintenance of Way (MOW):

The Maintenance of Way team as discussed prior have been active with the new rail rehabilitation program. In addition to what was already spoken, the crews have been also busy with pre storm maintenance and abatement. Track Inspector Al French has been inspecting and clearing culverts along the line and has identified others to be tended to by the MOW teams. Ten culverts were cleared last month in strategic locations along the line. Some of these locations have been witnessed to have waterfalls nearby or tend to have high waters. With these culvert inspections the goal is to eliminate these areas of erosion causing water movement.

ODOT/FRA:

CBRL had one on site visit by ODOT Inspector Alon Kelly and Mechanical Inspector Stang. No violations to report.

Coos Bay Rail Line:

As of October 1, 2022, the CBRL is 264 days injury free. The CBRL had 0 incidents in September. Currently, CBRL has 22 employees and 8 locomotives on property.

Rail Projects:

Wildcat Bridge Project ahead of schedule. Swing Span Project set to start early December. Vaughn Viaduct post bid process

Railroading 101:

With the appointment of new Commissioners these last few months CBRL would like to include some Railroading 101 points for those new to railroading. As all industries, railroading has its own vernacular to describe, identify and report items. We will also include descriptions of how the CBRL operates.

| The Word | Its "Official" Definition | What That Really Means |
|-------------|--|---|
| Carload | The quantity of freight required for the application of a carload rate. | When people use the word "carload," they usually mean the amount of cargo that fits in a rail |
| | | car. |
| | A car loaded to its weight or space-carrying capacity. | |
| Carrier | engaged in the business of transporting goods | A transportation company (e.g., a railroad). Or, literally, the company that "carries" your stuff. |
| Consignee | The individual or organization to which freight is shipped. | The receiver. |
| Consignor | The individual or organization shipping freight to a consignee. | The shipper. |
| Consignment | Collection of goods transported under cover of the same transport document in accordance with regulations or tariffs in force where they exist. | A shipment. |
| Main Line | | If railroad tracks were a roadway, the main line would be a highway. |
| Yard | A system of tracks within defined limits, whether or not part of a terminal, designed for switching services, over which movements not authorized by time-tables or by train order may be made, subject to prescribed signals, rules and regulations. | |

Action Items

OREGON INTERNATIONAL PORT OF COOS BAY BOARD OF COMMISSIONERS ACTION/DECISION REQUEST

| DATE: | October 11, 2022 |
|-------------------|--|
| PROJECT TITLE: | 2022Res11: City of Veneta IGA Re: Community Dog Park |
| ACTION REQUESTED: | Adoption of Resolution 2022Res11 approving the IGA Amendment between the Oregon International Port of Coos Bay and the City of Veneta to develop a Community Dog Park and authorizing the Port CEO to execute the IGA |

BACKGROUND:

In 2011, the Board of Commissioners of the Oregon International Port of Coos Bay approved an Intergovernmental Agreement between the City of Veneta and the Oregon International Port of Coos Bay to allow the City of Veneta to maintain a certain section of railroad right-of-way located within the city limits of Veneta. The entire property subject to the 2011 IGA is located between Territorial Highway and 3rd Street in Veneta, and is approximately 135 feet wide and 575 feet long. Since then, the City of Veneta has maintained a portion of this property to a manicured park like status.

In November 2021, the City of Veneta contacted Port Staff, asking the Port to allow the City to develop part of this property into a fenced community dog park. Port Staff collaborated with the City of Veneta to draft an amendment to the 2011 IGA, outlining the terms and conditions of the dog park on Port property.

Pert the IGA amendment, in exchanged for the Port to allow the City of Veneta to develop the dog park and for the City to create and enforce the dog park rules, the City of Veneta will:

- Enclose the dog park with a chain link fence (8' on the north along the railroad, and 6' tall around the remaining perimeter) and add dog park features to the property while continuing to maintain the property as outlined in the 2011 IGA;
- Conduct activities 30' from the centerline of the railroad tracks;
- Include the Oregon International Port of Coos Bay and the Coos Bay Rail Line, Inc. as named partners in the development of the dog park;
- Obtain and maintain the minimum insurance requirements as outlined in the IGA exhibit.

The amendment will remain in effect for 10 years, with the option to renew every 5 years. In addition, if the dog park is deemed to be a danger to the public or to rail operations, the amendment will be terminated. The amendment has been reviewed and accepted by both the Port's legal counsel and insurance broker of record.

The original 2011 IGA and the new Amendment to the IGA for the Dog Park are attached as exhibits to the resolution within the packet.

RECOMMENDED MOTION:

Adopt Resolution 2022Res11 approving the Intergovernmental Agreement Amendment between the Oregon International Port of Coos Bay and the City of Veneta to develop Port property into a Fenced Community Dog Park and to authorize Chief Executive Officer John Burns to execute the Agreement Amendment.

RESOLUTION 2022Res11

RESOLUTION OF THE BOARD OF COMMISSIONERS OF THE OREGON INTERNATIONAL PORT OF COOS BAY

APPROVING AN INTERGOVERNMENTAL AGREEMENT AMENDMENT BETWEEN THE OREGON INTERNATIONAL PORT OF COOS BAY AND THE CITY OF VENETA TO DEVELOP PORT PROPERTY INTO A FENCED COMMUNITY DOG PARK

WHEREAS, the Oregon International Port of Coos Bay (the "Port") and the City of Veneta (the "City") are municipal corporations, organized and operated under the Constitution and laws of the State of Oregon; and

WHEREAS, the Port owns the Coos Bay Rail Line that runs through the City; and

WHEREAS, in 2011 the Board of Commissioners of the Oregon International Port of Coos Bay approved an Intergovernmental Agreement between the City and the Port to allow the City to maintain a certain section of railroad right-of-way located within the city limits of Veneta; and

WHEREAS, the City has determined, and the Port agrees, it is in the best interest of the public to develop part of the maintained property into a fenced community dog park; and

WHEREAS, Port Staff collaborated with the City of Veneta to draft an amendment to the 2011 IGA, outlining the terms and conditions of the dog park on Port property.

THEREFORE, BE IT RESOLVED, by the Board of Commissioners of the Oregon International Port of Coos Bay that the Port Commission approved the Intergovernmental Agreement between the Oregon International Port of Coos Bay and the City of Veneta to develop Port property into a fenced community dog park, identified as Exhibit A, attached hereto and incorporated herein by this reference.

APPROVED AND ADOPTED, by the Board of Commissioners of the Oregon International Port of Coos Bay this 18th day of October 2022.

Eric Farm, President

Brianna Hanson, Treasurer

AMENDMENT TO THE INTERGOVERNMENTAL AGREEMENT

between Oregon International Port of Coos Bay (Coos Bay Rail Line, Inc.) and City of Veneta

WHEREAS, this is an amendment to the 2011 Intergovernmental Agreement (IGA) between the Oregon International Port of Coos Bay (Port), Coos Bay Rail Link (now known as Coos Bay Rail Line, Inc., CBRL), and the City of Veneta (collectively known as the "Parties"), which allows the City of Veneta to maintain certain areas of railroad right-of-way within the city limits of Veneta, and

WHEREAS, the City of Veneta has determined, and the Port of Coos Bay agrees, it is in the best interest of the public to develop part of the maintained property into a fenced community dog park.

NOW THEREFORE, in consideration of the terms and conditions hereinafter stated, it is agreed as follows:

- 1. The IGA shall continue in full effect except where the terms of this Amendment and the IGA conflict. Where the terms of this Amendment and the IGA conflict, this Amendment shall control.
- 2. The Port of Coos Bay agrees to:
 - a. Allow the City of Veneta to develop the eastern part of the subject property shown in Exhibit A to the IGA that is located between Territorial Highway and 3rd Street, into a fenced community dog park as shown in Exhibit B to this Amendment.
 - b. Allow the City of Veneta to create and enforce rules regarding the use of the dog park at its sole discretion.
- 3. The City of Veneta agrees to:
 - a. Enclose the dog park with a chain-link fence (at least 8' tall on the north along the railroad, and 6' tall around the remaining perimeter) and add dog park features to the property.
 - b. Maintain the property dedicated to the dog park as outlined in the IGA (including the fencing and dog park features).
 - c. Conduct all activities at least 30 feet from the centerline of the railroad tracks (amending the 25 feet requirement in section II.A. of the IGA).
 - d. Include the Oregon International Port of Coos Bay and Coos Bay Rail Line, Inc. as named partners in the development of the dog park.
 - e. Obtain and maintain the minimum insurance requirements as outlined in Exhibit A.
- 4. Term and Termination:
 - a. This Amendment shall remain in effect for a period of 10 years. The Parties may agree, in writing, to renew this Amendment for subsequent five-year intervals.

- b. Either Party may terminate this Amendment pursuant to Section V of the IGA by giving 30 days' notice to the other Party, delivered by Certified Mail, Return Receipt requested.
- c. This Amendment shall automatically terminate upon termination of the IGA.
- d. Either Party may immediately terminate this Amendment upon a determination that the dog park is a danger to persons or the operation of the railroad.
 - i. The dog park shall be determined a danger if, for example, but not exclusively, after any initial incidents are addressed and remediated amongst the Parties, repeated incidents occur of dog bites, dog attacks, or dogs escaping and creating a disturbance to rail operations or employees.
 - ii. Upon such a determination, the City of Veneta shall immediately close the dog park.

EXHIBIT A

Insurance Requirements

The City of Veneta will at all times specified herein provide and maintain for itself and require its subcontractors who work onsite of the specified property to provide and maintain the following types and the following minimum limits of insurance written on an occurrence basis by a company or companies authorized to do business in the state of Oregon.

A. WORKERS' COMPENSATION AND EMPLOYER'S LIABILITY:

- (i) State: Statutory
- (ii) Employers Liability:

\$500,000 Each Accident\$500,000 Disease, Policy Limit\$500,000 Disease, Each Employee

B. COMMERCIAL GENERAL LIABILITY (OCCURRENCE FORM):

(i) Combined Bodily Injury and Property Damage:

\$1,000,000 Each Occurrence\$1,000,000 Personal and Advertising Injury\$2,000,000 General Aggregate\$2,000,000 Products and Completed Operations

\$100,000 Fire Damage Legal Liability

- \$10,000 Medical Expenses
- (ii) The following coverages must be included:
 - (1) Premises Operations.
 - (2) The policy will be endorsed to be primary and non-contributory with any insurance maintained by the Port of Coos Bay, its subsidiaries, affiliates, members, directors, officers, employees and agents.
 - (3) Products and Completed Operations Insurance consistent with the requirements of this Paragraph B and Subparagraphs (i) and (ii) will be maintained by the City of Veneta and all subcontractors for the duration of the applicable statute of repose in the state in which the Project is located.
 - (4) The limits will not be eroded or wasted by defense fees or costs.

C. BUSINESS AUTO POLICY:

- (i) Combined Bodily Injury and Property Damage \$1,000,000 Each Accident
- (ii) The following coverages must be included:
 - (1) Owned Automobiles
 - (2) Non-Owned and Hired Automobiles
 - (3) Appropriate endorsements must be attached if hazardous wastes are to be transported such as Insurance Service Office MCS 90 and CA 9948.

EXHIBIT A, continued

D. WAIVER OF SUBROGATION:

All of the City of Veneta's and its subcontractors' liability insurance policies, with the exception of workers' compensation, will contain a waiver of subrogation against the Port of Coos Bay and its subsidiaries, affiliates, members, directors, officers, employees and agents.

E. ADDITIONAL INSURANCE REQUIREMENTS:

All of City of Veneta's and its subcontractors' liability insurance policies (except those for workers' compensation) will be endorsed to name the Port of Coos Bay and its affiliates, subsidiaries, directors, managers, officers, employees and agents as additional insureds using ISO endorsement CG 20 10 07 04 and CG 20 37 04 13 or equivalent for the Port of Coos Bay. The coverage under the additional insured endorsement will (i) be primary and noncontributory with respect to any insurance of the additional insureds, (ii) provide the same coverages and limits to the additional insured as are afforded to the primary insured as required by this Exhibit, and will not be limited to vicarious liability, (iii) not be limited to on-going operations, (iv) be maintained for the same durations as the coverages afforded to the primary insured as required by this Exhibit and blanket endorsements will not be acceptable.

INTERGOVERNMENTAL AGREEMENT

Oregon International Port of Coos Bay (Coos Bay Rail Link) And The City of Veneta

APR 2 8 2011

This agreement entered into between Oregon International Port of Coos Bay, Coos Bay Rail Link (hereinafter referred to as CBRL), and the *City of Veneta*, a municipal corporation of the State of Oregon, hereinafter referred to as *City of Veneta*.

WHEREAS, pursuant to ORS 190.03 to 190.110 units of local government may enter into agreements for the performance of any or all functions and activities that any party to the agreement, its officers or agents, have authority to perform, and

WHEREAS, *CBRL* and *City of Veneta* have determined it is in their best and mutual interests for *City of Veneta* to be allowed to maintain certain areas of railroad right-of-way within the city limits of Veneta.

NOW THEREFORE, in consideration of the terms and conditions hereinafter stated, it is agreed as follows:

I. **CBRL agrees to**:

- A. Allow the City of Veneta, its' employees, assigns, agents, and volunteers to enter upon the property between the railroad tracks and Waldo Lane as shown in Exhibit A, for the purposes of maintenance and enhancement. These activities are further defined to include:
 - 1. Removal of blackberries and other vegetation by mechanical or manual means
 - 2. Clearing/grubbing, loading and hauling of woody debris and other refuse
 - 3. Planting of grass, shrubs, trees or other vegetation
 - 4. Mowing, watering, and other vegetation maintenance activities
 - 5. Litter removal
- **B.** Continue to perform tree trimming and other maintenance deemed necessary by **CBRL** for operation of the railroad.

II. City of Veneta agrees to:

A. Conduct all activities no closer than twenty five (25) feet from the centerline of the railroad tracks. Any activities to be conducted within 25 feet of the centerline of the tracks require written authorization of CBRL.

- **B.** Plant trees no closer than fifty (50) feet from centerline of the railroad tracks.
- III. The parties agree that this access agreement in no way obligates the City of Veneta to perform any maintenance activities within the Access Area, as shown on Exhibit A, or to meet any CBRL maintenance standards.
- IV. Both parties to this Agreement, hereto mutually agree to indemnify defend, and hold each other, their Commissioners, Councilors, employees, officers, directors and agents harmless against any and all claims, demands, liabilities and costs incurred by the other party, arising out of or in connection with the performance or failure to perform any activities pursuant to this Agreement or any other act or omission of the indemnifying party arising out of the performance of this Agreement.

These obligations are subject to the Oregon Tort Claims Act and Oregon Constitution.

V. Either party may terminate this Agreement at any time by delivering to the other party 30 day notice by Certified Mail, Return Receipt requested of its intention to terminate this Agreement. This agreement shall remain in effect until terminated by one or both parties.

OREGON INTERNATIONAL PORT OF COOS BAY BOARD OF COMMISSIONERS

ACTION/DECISION REQUEST

| DATE: | October 11, 2022 |
|-------------------|---|
| PROJECT TITLE: | 2022Res12: Amended 2022/23 Port of Coos Bay Rate Schedule |
| ACTION REQUESTED: | Adoption of Resolution 2022Res12 amending the Port of Coos Bay Rate Schedule for Fiscal Year 2022/23 |

BACKGROUND:

The following fees have been added to the proposed draft Port of Coos Bay Rate Schedule:

• <u>Charleston Area Lodging Tax</u>

On the May 2022 ballot, Coos County voters approved Ballot Measure 6-194, authorizing a tax on short term lodging in the Charleston Area. The 9.5% lodging tax, which was effective October 1, 2022, is collected by Coos County and assessed on all reservations within the Charleston Marina RV Park.

• Impound Fees

Fees are currently assessed to a customer's account when a Storage Unit or Vessel is impounded due to delinquency of payment or abandonment. These fees include the cost of a lock (and chain) if needed, and the administrative cost of preparing the impound notice, posting the notice, and preparing for the auction process.

• Tenant / Lessee Credit Checks

Businesses or individuals interested in leasing Port property (buildings, office space, land, etc.) are subject to a credit check. These fees are the actual cost to run the report with a third party company plus an administrative cost to process and review the report.

The proposed amended red lined 2022/23 Port of Coos Bay Rate Schedule is attached as Exhibit A to the following resolution.

The Rate Schedule may be modified by Resolution of the Port Commission. Upon approval by the Board, the proposed Fiscal Year 2022/23 Port of Coos Bay Rate Schedule will become effective immediately.

RECOMMENDED MOTION:

Approve Resolution 2022Res12 amending the Port of Coos Bay Rate Schedule as presented, for Fiscal Year 2022/23.

RESOLUTION 2022Res12

A RESOLUTION OF THE BOARD OF COMMISSIONERS OF THE OREGON INTERNATIONAL PORT OF COOS BAY

AMENDING THE FY 2022/23 PORT OF COOS BAY RATE SCHEDULE

WHEREAS, the Port of Coos Bay rates are listed on the published Port of Coos Bay Rate Schedule; and

WHEREAS, owners and/or operators of vessels using Port moorage facilities, owners of property contained within Port storage areas, and users of Port services, are responsible for the charges outlined in the Port of Coos Bay Rate Schedule; and

WHEREAS, the Port of Coos Bay Rate Schedule has been amended to specifically include:

- A 9.5% Charleston Area Lodging Tax collected by Coos County and assessed on all reservations within the Charleston Marina RV Park;
- Impound fees for the costs associated with impounding a storage unit or vessel due to delinquency of payment or abandonment; and
- The fees associated with processing a credit check of parties interested in leasing Port property.

WHEREAS, the Port of Coos Bay Rate Schedule may be modified by, and must be reviewed and approved by, the Port's Board of Commissioners.

THEREFORE, BE IT RESOLVED, by the Board of Commissioners of the Oregon International Port of Coos Bay that, as authorized by Ordinance No. 143, hereby adopts the Port of Coos Bay Rate Schedule effective October 18, 2022, identified as Exhibit A, attached hereto and incorporated herein by this reference.

APPROVED AND ADOPTED, by the Board of Commissioners of the Oregon International Port of Coos Bay this 18th day of October 2022.

OREGON INTERNATIONAL PORT OF COOS BAY BOARD OF COMMISSIONERS ACTION/DECISION REQUEST

DATE:

October 11, 2022

| PROJECT TITLE: | Update Signature Authority for Oregon State Treasury Local Government Investment Pool |
|-------------------|--|
| ACTION REQUESTED: | Approve updating signature authority for bank account changes to the Local Government Investment Pool account #5347. |

BACKGROUND:

Port Policy Chapter 12 outlines the internal controls and authorization for financial management of the Port of Coos Bay. All Port bank accounts must be authorized and approved by the Board of Commissioners.

The Port invests excess cash with the Oregon State Treasury Local Government Investment Pool, which provides a higher rate of return than the Port's other bank accounts. Funds are transferred between the Local Government Investment Pool (LGIP) and the Umpqua bank accounts as needed for cash flow purposes. LGIP transfers are only permitted to and from bank accounts that are linked to the LGIP account. Changes to the linked bank accounts must be approved by two individuals.

With the resignation of Past President David Kronsteiner, Port staff wishes to update the signature authority documents for the LGIP. Any two of the following individuals are required to initiate bank account information changes for the Local Government Investment Pool account #5347:

| John Burns | Chief Executive Officer |
|------------------|----------------------------------|
| Lanelle Comstock | Chief Administrative Officer |
| Megan Richardson | Director of Finance & Accounting |
| Eric Farm | President |
| Brianna Hanson | Treasurer |

RECOMMENDED MOTION:

Approve updating signature authority for bank account changes to the Local Government Investment Pool account #5347.

OREGON INTERNATIONAL PORT OF COOS BAY BOARD OF COMMISSIONERS ACTION/DECISION REQUEST

DATE:

October 11, 2022

PROJECT TITLE:2022Res13: Update Signature Authority on Umpqua Bank
Accounts**ACTION REQUESTED:**Approve Resolution 2022Res13 updating signature
authority for the banking accounts at Umpqua Bank, Coos
Bay Branch.

BACKGROUND:

Port Policy Chapter 12 outlines the internal controls and authorization for financial management of the Port of Coos Bay. All Port bank accounts must be authorized and approved by the Board of Commissioners. With the resignation of Past President David Kronsteiner, Port staff wishes to update the signature authority documents for the following bank accounts, to be effective October 18, 2022:

ZBA Disbursement Checking Account #2511 ZBA Payroll Checking Account #5360 Money Market Sweep Account #3394 General Concentration Sweep Account #3139 Business Development #0198

The following individuals will be authorized signatories on these Umpqua Bank accounts:

| John Burns | Chief Executive Officer |
|------------------|----------------------------------|
| Lanelle Comstock | Chief Administrative Officer |
| Megan Richardson | Director of Finance & Accounting |
| Eric Farm | President |
| Brianna Hanson | Treasurer |

A resolution is required for signature authorization for the bank accounts.

RECOMMENDED MOTION:

Approve Resolution 2022Res13 updating signature authority for the banking accounts at Umpqua Bank, Coos Bay Branch.

RESOLUTION 2022Res13

A RESOLUTION OF THE BOARD OF COMMISSIONERS OF THE OREGON INTERNATIONAL PORT OF COOS BAY

RESOLUTION CHANGING THE SIGNATURE AUTHORIZATION FOR THE BANK ACCOUNTS AT UMPQUA BANK

WHEREAS, the Oregon International Port of Coos Bay has designated Umpqua Bank as a bank and depository for funds of the Port, which may be withdrawn on checks, drafts, receipts or advices of debt given or signed in the Port's name; and

WHEREAS, the Port wishes to update the names of the individuals authorized to initiate changes to the bank accounts listed below, effective October 18, 2022:

ZBA Disbursement Checking Account #2511 ZBA Payroll Checking Account #5360 Money Market Sweep Account #3394 General Concentration Sweep Account #3139 Business Development #0198

The following individuals will be authorized signatories on these Umpqua Bank accounts:

WHEREAS, said Bank shall be and is authorized to honor and pay the same whether or not they are payable to bearer or to the individual order of any person or persons signing the same.

APPROVED AND ADOPTED, by the Board of Commissioners of the Oregon International Port of Coos Bay this 18th day of October 2022.

Eric Farm, President

Brianna Hanson, Treasurer

OREGON INTERNATIONAL PORT OF COOS BAY

ACTION/DECISION REQUEST

| DATE: | October 11, 2022 |
|-------------------|---|
| PROJECT TITLE: | Vaughn Viaduct Rehabilitation Project Bid Award (BUILD Phase 1) |
| ACTION REQUESTED: | Authorize Chief Executive Officer John Burns to award and enter into a contract for the Vaughn Viaduct Rehabilitation Project (BUILD Phase 1) |

BACKGROUND:

On April 13, 2021, the Port Commission authorized Port staff to solicit Invitations to Bid (ITB) for five separate construction contracts for the CBRL Bridge Rehabilitation Project (BUILD).

On May 7, 2021, the Oregon International Port of Coos Bay / Coos Bay Rail Line solicited bids for the BUILD Project (Phase 1) to replace the Vaughn Viaduct on the Coos Bay Rail Line. Bid responses were due to the Port by June 24, 2021. All bids received were substantially over the Engineers estimated cost for construction, so the Port decided to cancel the Invitation to Bid. The Port decided that rather than replace the bridge entirely, it would be in the Port's best interest to rehabilitate the existing bridge. Following authorization from MARAD to adjust the scope of work for this phase, the Port authorized Stantec Engineering to redesign the project and on June 30, 2022, issued a revised Invitation to Bid for rehabilitation of the existing bridge. Bids were received on September 6, 2022. Two bids were received, with the lowest responsive bidder being West Coast Contractors (WCC) with a price of \$7,135,530.00, which was still considerably over the Engineers estimated cost for construction. In accordance with public contracting law, the Port entered into negotiations with West Coast Contractors to "Value Engineer" the project for potential savings. WCC determined that the project could realize savings in excess of \$200,000.00 by completely replacing the two leg towers, in lieu of rehabilitating the existing legs. West Coast Contractors revised price is \$6,584,005.00.

The Port must obtain authorization from MARAD for this proposed change. Port staff does not foresee any obstacles to obtaining MARAD permission for a scope of work change.

Port procurement rule 2.8.1(E) requires the Port Commission, acting in its capacity as the Local Contract Review Board, authorize solicitations and awards of contracts in excess of \$150,000.

RECOMMENDATION MOTION:

Authorize Chief Executive Officer John Burns to award and enter into a contract for the Vaughn Viaduct Rehabilitation Project (BUILD Phase 1) with West Coast Contractors.

Informational Items

Coos Bay Rail Line Serving Western Lane, Western Douglas and Coos Counties in Southwest Oregon

One (1) revenue car load = 3.3 highway truck loads

Coos Bay Rail Line-CBRL operates at the U.S. shortline railroad industry standard of 286,000 lbs/143 short tons (weight of car plus commodity weight) per loaded revenue car. The majority of cars currently moving on the rail line weigh 66,000 to 86,000 lbs/33 to 43 short tons, resulting in a carrying capacity of 200,000 to 220,000 lbs/100 to 110 short tons.

Using 200,000 lbs/100 short tons as an average weight of commodity per rail car, the tonnage figures for the years 2011 through year to date 2022 are as follows:

| *2011: | 194 | rail carloads = | 19,400 | short tons = | 640.2 | highway truck loads |
|--------|-------|-----------------|---------|--------------|----------|---------------------|
| 2012: | 2,480 | rail carloads = | 248,000 | short tons = | 8,184.0 | highway truck loads |
| 2013: | 4,850 | rail carloads = | 485,000 | short tons = | 16,005.0 | highway truck loads |
| 2014: | 7,509 | rail carloads = | 750,900 | short tons = | 24,779.7 | highway truck loads |
| 2015: | 7,341 | rail carloads = | 734,100 | short tons = | 24,225.3 | highway truck loads |
| 2016: | 7,434 | rail carloads = | 743,400 | short tons = | 24,532.2 | highway truck loads |
| 2017: | 7,172 | rail carloads = | 717,200 | short tons = | 23,667.6 | highway truck loads |
| 2018: | 6,428 | rail carloads = | 642,800 | short tons = | 21,212.4 | highway truck loads |
| 2019: | 4,950 | rail carloads = | 495,000 | short tons = | 16,335.0 | highway truck loads |
| 2020: | 5,128 | rail carloads = | 512,800 | short tons = | 16,922.4 | highway truck loads |
| 2021: | 6,213 | rail carloads = | 621,300 | short tons = | 20,502.9 | highway truck loads |
| 2022: | 5,262 | rail carloads = | 526,200 | short tons = | 17,364.6 | highway truck loads |
| | | | | | | |

*Start up in 2011, Data includes 4th Quarter / Oct – Dec.

The Coos Bay rail line was embargoed by the previous owner/operator in September 2007. The Port acquired the 111-miles of the line owned by RailAmerica, Inc. in spring 2009 through an order from the U.S. Surface Transportation Board at the completion of a Feeder Line Application process initiated in July 2008. The Port acquired the Union Pacific (UP) Railroad owned 23-mile section of the line through a negotiated agreement with UP in late December 2010.

Coos Bay Rail Line, Inc. (CBRL) is 264 days injury free as of October 1, 2022!

Owned by the Oregon International Port of Coos Bay
